The Jogger

(COVID-19 version)

Dear Members,

I hope this finds you all well and staying safe. Due to the virus, all EARTA functions are cancelled until we can safely gather. I hope you are able to stay busy and connected with friends and family.

You will receive a paper Jogger when it is safe to assemble and mail it. Until then, even though the information is limited, we will keep you updated here and with phone calls.

If you are in need of any assistance, please reach out to me, or any of our Board members, and we will do our best to help you. I look forward to the next time we can get together.

Yours,

Christine Moeller
